

# KAILASHYATRA

(12 Night /13 Days)

KATHMANDU BY ROAD 12 NIGHTS 13 DAYS MANSAROVAR YATRA

## OVERVIEW:-

Mount **Kailash** is located close to Lake Manasarovar and Lake Rakshastal. **Lord Shiva** resides there along with his consort goddess Parvati and their children, Ganesha and Kartikeya. The sources of four major Asian rivers lie close to this mountain and the two lakes. These rivers are the Indus, the Sutlej, the Brahmaputra, and the Karnali (a tributary of the Ganges, fed by Mabja Zangbo). Mount Kailash is considered sacred in four religions: Hinduism, Buddhism, Jainism and Bon.

In the Uttara Kanda section of the epic **Ramayana**, it is said that **Ravana** attempted to uproot the Mount **Kailash** as retaliation against Shiva, who in turn, pressed his right big toe upon the mountain, trapping Ravana in between. This representation of Shiva is also referred to as Ravananugraha (form showing favour to Ravana) while seated upon Mount Kailash.

According to the epic **Mahabharata**, it is said that the **Pandava brothers**, along with their wife Draupadi, trekked to the summit of Mount Kailash on their path to liberation, as it is considered to be a gateway to the heaven of the devas, **Svarga**.

One description in the **Vishnu Purana** of the mountain states that its four faces are made of crystal, ruby, gold, and lapis lazuli. It is a pillar of the world and is located at the heart of six mountain ranges symbolizing a lotus. The Vishnu Purana talks about Shiva sitting in a lotus position, engaged in deep meditation within the confines of a mountain, and fully immersed in a state of perpetual bliss.
